SUMMARY

Skilled in a variety of programming languages and technologies with experience in the development of mobile, web, and systems. Actively seeking for internship to expand my expertise in various fields, including mobile, back-end, and systems development.

SKILLS

Languages: Java, Dart, C/C++, SQL, HTML, CSS, Rust, Python, Functional Programming.

Technologies: Flutter, AppWrite, Firebase, Flask, OpenGL

PROJECTS

July 2023 - September 2023	**WhatsApp Clone – Frontend Development**	○ **GitHub**

- Built a cross-platform mobile app replicating WhatsApp's core UI and functionality.
- **Technologies:** Flutter, Dart, Riverpod, Git

November 2024 - January 2024	**Minishell – Custom Unix Shell**	**GitHub Repository**

- Developed Unix-like mini-shell in C, supporting command execution, built-in commands ('cd', 'echo', 'exit'), pipes ('|'), and redirections ('>', '<').
- **Technologies Used:** C, POSIX, Git

December 6, 2024 - December 8, 2024	**MyTribe - HackITall 2024**	○ **GitHub**

- Participated in the HackITall hackathon, developing **MyTribe**, a mobile application designed to connect foreigners with the same background.
- **Technologies and Tools:** Flutter, Flask, SQLite, Git

WORK EXPERIENCE

January 2024 - June 2024	**AI Trainer**	**Dataannotation**

- Trained AI/ML models for NLP tasks, improving datasets and collaborating to enhance system accuracy and efficiency.

November 2023 - March 2024	**Software Developer**	**HymedCare**

- Developed a telemedicine app with features such as appointment booking, chat and calling, articles, and an admin panel.
- **Technologies:** Flutter, Firebase, Git, ZegoCloud

EDUCATION

2022 - Present	**Bachelor of Computer Science at National University of Science and Technology Politehnica Bucharest**	○ **NUSTPB**

expected graduation 2026

July 26, 2023	**Certificate**	**Flutter Certificate**

The Complete Flutter Development Bootcamp with Dart
Issued by Dr.Angela Yu
Certification Date: July 26,2023

LANGUAGES

English - B2+, **Afan Oromo** - native , **Romanian** - B+, **Amharic** - native
